This workshop is for those with limited time, who would like to learn how to design and draw your own plans for council approval for a simple cottage, studio or cabin.

You are provided with instruction sheets and hand-outs as you are guided through everything you need to know to prepare and submit your own plans for council. There is a small amount of practical drawing time but the majority of practice will be completed at home in your own time using the information provided.

Topics covered:

- Submitting your Plans to Council
- Common mistakes and how to avoid them
- How to design your own cottage or cabin
- Design guidelines
- Solar Passive Design Concepts
- How to draw your design concept plan
- Tools available
- Architectural model-making - building with cardboard
- Drawing your plans for council approval

At the end of the workshop you will feel confident that you can correctly draw your own plans for council for your small cottage, studio or cabin.

Price: \$50 per person

Time: 1pm - 4:30pm

Dates: March 2016 to be confirmed.

Register your interest to be notified as soon as dates are scheduled and online enrolments are open.
